You will need to physically go to Salt River Electric and Taylorsville Waterworks to establish service. The builder will disconnect service in his name on the next business day following closing.

Directions to Salt River Electric: 127 Settler's Center Taylorsville KY 40071

Out of Fox Lair, right on Hwy. 155. Follow through the traffic light (gas station on corner) up the hill, continue until you hit Taylorsville. You will see a shopping center on the right just before the next traffic light by the Dairy Queen. Turn right into Settler's Center Shopping Center. You will see an "L" shaped building with a Dollar General Store on one end, a Hometown Pizza, Froman's Drug Store, and then on the opposite end you will see Salt River Electric.

Directions to Taylorsville Waterworks: 70 Taylorsville Rd. Taylorsville KY 40071

Out of Settler's Center, turn right, go through traffic light by the Dairy Queen. Continue going straight, you will pass the High School, go over the bridge, and you will pass Faulkner's Meat on the left. The second to the last building on the left is Taylorsville Waterworks. It is a light colored brick building.
